limited to ten minutes.

The new law compelling township trus-tees to furnish schooling for children of school age who are dependent upon their own efforts for support has received a test trial at Franklin. The township trustees had been arrested by the truant officer for neglect of duty in failing to comply with the act referred to. The decision was to the effect that Trustees have legal charge of the poor, and should have acted in the case of a boy who was forced to support his mother and Jones alias Buck Shell. Plead not guilty himself, and was unable to attend school. to indictment for burglary and larceny. The Justice fined each of the Trustees J. C. Gray and Geo. Linn appointed to \$25 and costs, but the case will be

taken up. Attending To Business Judge James F. Tallman, the Repubdown this morning to look a little after the larder. his candidacy. This is his first visit to this place since he was nominated. He has remained in his office attending to business, believing that by so doing he would be serving his constituents and the people more satisfactorily than by neglecting his duties and going off on electioneering trips. The Judge has made an exceptionally good officer and ought to be reëlected by running ahead

of his ticket, and we believe he will .-

Martin's Ferry Times.

A baby played rather a rough joke on Samuel Clegg, of Leetonia, unintention of Hoke Smith's Victims," which was ally. Heed, Henry Williamson, Ebenezer Woods, Christopher Wineman, Wm. Fry.

Get Out the Vote.

This is the last week of the campaign and the speaking and brass band features are about over. All that remains is the vote. To this end steady and vigorous work is demanded in every polling preof the number of men and women out of cinct in the county. The Democracy are employment in the State, and they were working a "gum shoe" campaign and are found to foot up to 179,037. Based on relying on confidence to lull Republicans reports in the office of the Secretary of to get in their work. There must be no State show that there has been a loss this let up in the efforts of Republicans until year in Ohio on wheat of \$9,615,695; on every Republican vote is in the ballot wool of \$1,939,446; on both wheat and box. Thousands of heretofore Democrats in the State are waiting to help us, and it is of the greatest importance that every loss on wheat of \$69,307; on wool of Republican does his duty. If the vote is \$64,815; a total on the two items of out the majority for McKinley, and in condemnation of Democracy, will be something magnificent; but if Repub licans do not turn out the result can not be predicted. Get every vote out.

Old-Time Cold Snap. Though one or two of the nights of the past week have been too cool to sleep out of doors, yet we are more fortunate than were our ancestry in this vicinity in 1857. In early October of that year, says an old resident, the thermometer one night fell ero. Of course, all vegeta paralyzed. The leaves did not turn into autumn leaves that year; they simply became black. Picked apples which had not been put away were frozen, and only saved by being left undisturbed, while following spring it was hard to get seed corn. After the one cold snap, the fol-

lowing two months were warm.

Tuesday night as Halloween, was aptown and about town. Gates were car. of bigamy. ried away, door bells rung, and much corn scattered about. A nest wall was built across the sidewalk with brick in front of W. A. Gephart's store. East of town the road was barricaded in a half-dozen

passed by both Houses and signed by the President within a week. Every sign points to this result. It has been a long struggle, and a severe one. Let us hope it will be for the best interests of the whole American people. Congress will probably take a recess or adjourn after the act passes in order to take a rest, and to allow some of its members to go home
